Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

During the interview, applicant explained the main difference(s) between the current claim language of the instant application and the applied reference(s). The Examiner indicated that the applied reference(s) more than adequately meets the current claim language of the instant application. Applicant was advised to file a formal response. The Examiner will consider the comment(s) and/or amendment(s) of the formal response when filed and respond accordingly.
